The Elden Ring Game is a fantasy RPG game that places you in the role of an experienced hero. In the large and beautiful world of the Lands Between, you will partake in battles and adventures with an original plot as you slay monsters, uncover mysteries, and explore dungeons. The game's world is an interesting combination of a real and fantasy setting, and it overflows with unique features that will leave you lost in wonder. There are two types of players in the Elden Ring Game, called Adventurers and Arcane Masters. A Adventurer is a typical fantasy character, one who uses a sword, a bow, or a crossbow to do battle, and specializes in battle techniques. Arcane Masters are those who manipulate the power of magic and talk with the spirits of the dead to cast spells and cast spells. As a player's level increases, he or she can choose the type of character that best suits their playing style. • EXCITING ADVENTURE While you battle your enemies on the field, a war is raging in the Lands Between. As you defeat monsters, you can find hidden items and chests, and information about the happenings in the world. You can also make friends and embark on the most mysterious and exciting adventures. • MULTI-USER, MULTIPLAYER The RPG genre is known for open-ended game worlds where players can freely explore and interact with others. This style of game play lets you work together with your friends or strangers, so you can experience new adventures with your guild, guild mates, or other players. • AFK BATTLE The battle system lets you take full control of each battle, where you can strategically select your attacks and spells, use equipment and items, and use skills on the fly. • ENDLESS PLAYER STORY While fighting a variety of monsters, you can talk to NPC's and interact with the environment. As you progress through the story, you will find hidden items and secrets that will help you uncover the mystery behind the Lands Between, and not only will you find good memories, you'll also find good items and be reunited with your guild. • Take your pick from a
