Are you looking to download The Dark Knight Rises 1080p BD? The Dark Knight Rises movie is a 2012 superhero thriller based on Christopher Nolan's 2008 film The Dark Knight, sequel to The Dark Knight. The film was directed by Christopher Nolan, stars Christian Bale as Batman/Bruce Wayne, Gary Oldman as Commissioner Jim Gordon, and Anne Hathaway as Catwoman. Carrie-Anne Moss portrays Selina Kyle / Catwoman. The film was released in the United States on July 18, 2012, and opened in 24 international markets, including France, in August 2012. Eventually the film became the second highest-grossing Batman film, second only to The Dark Knight, but it was also the highest-grossing film in Nolan's Batman films, the second highest-grossing 2012 film, and the highest-grossing film ever to be released in Japan. Over a decade after the events of The Dark Knight, Alfred (Michael Caine) has now retired and Bruce Wayne has finally succumbed to the injuries received during The Dark Knight Rises (a near-fatal gunshot wound). Alfred, now elderly and blind, shares his home with a caretaker, Henri (John Leguizamo), and his own niece, Grace (Mackenzie Foy). Meanwhile, Selina Kyle / Catwoman, now calling herself Selena Kyle, is a wealthy socialite and one-time Gotham City casino owner planning to run for mayor and build a social shelter for the homeless. She visits Bruce Wayne in prison to discuss her candidacy and renew their friendship. Bruce Wayne is impressed by the proposal, but The Batman warns him not to trust Selena. After returning to her penthouse, Selena is attacked by a mob of robbers led by her former bodyguard, Carmine Falcone (Tom Hardy). Batman gets involved and during the struggle, Selena is fatally shot. Although Alfred is initially upset about Selena's death, he explains to Bruce that she was not entirely honest with him, revealing that she obtained the murder weapon from Carmine. The Batman, Grace and Alfred believe that Carmine and his men will release Catwoman's body to the press, resulting in Catwoman's death, and to save Selena, he calls her. However, while trying to escape, Selena is shot by one of Carmine's men, but manages to escape to Wayne Manor, where she is rescued by Batman. He arrives with Inspector Louis Gordon (John Doman), who is investigating the murder of the Wayne Enterprises executive Rachel
